RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

By Official Action mailed September 23, 2004 restriction to one of the following inventions is required under 35 USC 121:

- I. Claims 1-12; and
- II. Claims 13-33.

In response, Applicants hereby elect claims 1-12 for examination in this case.

The restriction is traversed for the reason that the search and examination can be made without serious burden on the Examiner as both groups are in the same class.

Early examination on the merits is courteously solicited.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
